

Flatiron Wolf - Errata

- nobody's perfect -

There are no known errors in any of the four percussion parts, however a few have been found in the solo marimba part:

m. 20, beat 1: Lowest note, mallet 1, should be A-natural, not A-flat.

m.95, right hand: those are all G-sharps, like the left hand, not G-naturals.

also, there is a clef error ms. 59:

basically those 2 octaves in the left hand / lower staff are TREBLE CLEF, thus, B and then G.

Immediately return to LH Bass Clef for the next measure

my apologies for the inconvenience
